Dominic Miškelis

Full-Stack Developer

GitHub: domiskelis
LinkedIn: dominic-miskelis
Portfolio: <https://domiskelis.github.io/>

Highly-motivated, multi-skilled STEM graduate eager for an opportunity to apply a full-stack skill-set gained through post-graduate studies. Fast, independent learner able to master and apply new skills quickly, while contributing to team success by taking into account everyone's needs and abilities. Continuously self-improving, both in official certified courses and in self-taught study, now competent in both front-end web design and back-end software development.

EDUCATION

Skills Bootcamp in Software Engineering (100%), <i>HyperionDev</i>	March 2023 – July 2023
Web Design and Front-End Development Libraries , <i>freeCodeCamp</i>	2021 – 2023
Physics BSc (2:1), <i>University of Edinburgh</i>	2015 – 2021

Modules in Simulation and Data Processing using Python

SKILLS

Tools and Languages	Python, Javascript, HTML5/CSS, React, jQuery, \LaTeX
Additional Libraries	Sass, Bootstrap, d3
Communication	English, Lithuanian, French, Italian
Other	Responsive Web Design, Experience with Unix

PROJECT SUMMARY

Task Manager	Python	A comprehensive program for assigning, updating and reviewing tasks assigned to a userbase.
fCC Projects	JS & React	Web apps for simple coding projects, such as a calculator and pomodoro timer, with functionality beyond task prompts.
Honours Project	In-house code	Independent research into the origins of nature's rarest isotope, $^{180}\text{Ta}^m$, working in tandem with the Nucleosynthesis Grid collaboration to apply their Post-Processing Network frame using own input to simulate and research nuclear reaction pathways in stellar conditions.

WORK EXPERIENCE

Shift Supervisor <i>Margiotta Food & Wine</i>	Oct 2019 – Aug 2021 <i>Edinburgh, Scotland</i>
---	--

In charge of managing shifts and stock orders independently

- Coordinated workload for myself and team members, ensuring all shift tasks were completed in a timely manner and to a high standard
- Took initiative to complete weekly and additional tasks, such as stock organisation and store deep-cleaning

Catering Assistant <i>Sainsbury's Café</i>	Dec 2016 – Sep 2019 <i>Edinburgh, Scotland</i>
--	--

Worked as part of a team, taking on various roles based on the shift's needs

- Went above and beyond to take charge of team leadership, coordinating the entire team's work to ensure management's requirements were met
- Always ensured customers' needs were met, receiving several satisfactory customer reviews and passing secret shopper checks
